Action Taken Report on Alumni Feedback

Feedback from alumni students is compiled, analysed and accordingly various measures are initiated as follows:

Name of the Stakeholder	Feedback Received	Action Taken
Alumni	Exposure to the cutting-edge technologies like cyber security	Cyber security elective subject was opted by most of the students. Students are motivated to enrol for various certification courses like Coursera, Udemy, and NPTEL etc.
	Focus on practical knowledge.	Students are motivated to develop practical skills through group projects, internship and problem based tasks. Students are encouraged for project based learning through mini projects and various project competitions.
	Emphasize on experiential learning through internship	Students are encouraged to complete internships from various companies. Also most of the students experienced the working environment of industry through sponsored projects.
	Strengthen industry institute interaction for career opportunities with the help of sponsored projects	To strengthen industry institute interaction, industrial visits are arranged by the institute. Students are encouraged for sponsored projects
	Explore various other career aspects like Higher studies, Entrepreneurship and Competitive exams etc.	Various guest lectures are arranged regarding Higher studies, Entrepreneurship and Competitive exams.
